Look for
these red
flags to stay
ahead of
AI scams

Scam Alerts

-  Something feels off?
-  Asking for gift cards or sensitive info?
-  A message that's urgent, emotional, or just weird?
-  Pushing you to act fast?
Scammers rely on panic.
Don't give it to them.

What To Do:

- Pause
- Verify another way
- Don't click or reply blindly

**AI scams are
getting smarter - so
should we.**
